

Share YOUR PHOTOS

The #1 Photo App for Your Event

ABOUT US

Share-Your-Photos, from the makers of Picture Keeper, is a FREE app that allows all party guests to easily and privately share photos from special events. Any occasion can benefit from this super-easy and free way to collect and share images. Use Share-Your-Photos to gather and distribute pictures from weddings, reunions, birthdays, school events, holiday parties, work functions, family vacations and more! Relive every moment from your events, from every angle!

WHO WAS SHARE-YOUR-PHOTOS CREATED FOR?

The **bride and groom** who want to see all the of the pictures guests took at their wedding.

The **hostess** who wants to remember the fun times from her party.

The **mom** who wants to share photos of her children without worrying about privacy issues.

The **teacher** who wants to collect images from parents and students for the yearbook.

The **grandfather** who wants to see snaps of his grandkids without an Instagram account.

The **coach** who wants to share his action shots with the whole team.

The **HOA board member** who want to see residents' pictures for the neighborhood newsletter.

The **social media rebel** who doesn't have a Facebook account, but wants to revel in the memories.

And **YOU!** Any occasion can benefit from this super-easy and free way to collect, share and enjoy pictures.

MORE OF OUR FAVORITE FEATURES:

- Download event photos completely FREE of charge!
- Easy, cost-free photo sharing between iPhone, Android, and PC.
- Save space on your phone. We'll store them forever for FREE.
- Create a hard- or soft-cover album directly from the app!
- Make your event public or private. It's up to you!
- There's no limit to how many photos you can share.
- Give the event ID to people who couldn't make the event so friends and family can join in the fun!

WHAT PEOPLE ARE SAYING

"I loved using this app for my holiday party! Everyone was able to easily share pictures with each other!"
– Taylor

"I cherish this app because of the candid memories captured at my wedding that I am able to look through whenever I want."
– Laney

"We used this app for my son's birthday party. It was nice to not have to worry about social media but having a private album to view and share all of the images with our friends and family."
– Jordan

DOWNLOAD THE
FREE APP
TO GET STARTED!

HOW IT WORKS, STEP-BY-STEP:

- ▶ Simply download our free app and register.
- ▶ Create an "event" within the app and give it a unique event ID.
- ▶ Invite wedding guests via email or text message and share your event ID with them.
(Don't forget to invite people who couldn't make it, so they can take part in the festivities too!)
- ▶ Start viewing photos from guests, uploading your own, saving your favorites and creating prints to frame.
